Thursday, 4th December, 1879, third day of the third regular session of the Thirtieth County Council.

The Council met pursuant to adjournment.

The Warden in the chair.

The roll was called and the following members answered to their names, viz. : Messrs. The Warden, Barber, Lewis, Wyckoff, Austin, Alexander, Robertson, Clement, Jull, Jackson, Ostrander, A. Crysler, Mabee, Walsh, E. M. Crysler, Chamberlin, Gillies, Green, McLennan, Morgan and Boughner.

The minutes were read and approved.

The Warden read some communications which were laid on the table.

Mr. Green read the following preamble to a resolution:

Whereas from the report of Robert Little and others, gaoler and attendants in and for the County of Norfolk, the following facts appear, viz.:

For attendance upon prisoners for the County of Norfolk, from 10th May, 1877, to September 20th, 1877 .....	807 days
For attendance upon prisoners for the County of Haldimand, from 10th May, 1877 to 20th September, 1877 .....	581 days
For salary due Robert Little and attendants by the County of Norfolk for its prisoners during the period of 4½ months as above.....	\$ 337 50
For salary due Robert Little and attendants by the County of Haldimand for its prisoners during the period of 4½ months in proportion to the number of days service.....	242 98

Therefore,

No. 1.—On motion of Mr. Green, seconded by Mr. Jackson.

Ordered,

That the above Statement be forwarded to the Council of the County of Haldimand requesting payment of the above proportion of services for attendance upon prisoners from that county.

No. 2.—On motion of Mr. Barber, seconded by Mr. Gillies,

Ordered,

That the Clerk of this Council is hereby instructed to procure a detailed statement from the several High Schools of this county showing the amount of money received from the various sources, and the expenditure of the same; the number of pupils on the roll each month; the average attendance of pupils; and the number and names of those who have passed the various examinations during the years 1877, 1878, and 1879; and report the same to the County Council at its first meeting in the month of January next; and that the 24th rule of this Council be dispensed with so far as it relates to this resolution.

No. 3.—On motion of Mr. Barber, seconded by Mr. Morgan,

Ordered,

That the Clerk is hereby authorised to procure the necessary blanks for the assessment, &c., for the various municipalites of the County; and that the Warden is hereby authorised to draw his check on the County Treasurer for the payment of the same.

No. 4.—On motion of Mr. Robertson, seconded by Mr. Lewis,

Ordered,

Whereas, by Acts of the Legislature of the Province of Ontario recently passed, the counties in the said Province are compelled to grant to all High Schools in their county an amount equal to the Government grant in favor of the said schools.

And whereas, in the opinion of this Council, these provisions of the said Acts work an injustice, so far as the rural districts of these counties are concerned, and in the opinion of this Council the provisions of the Act in that behalf should be abolished; the County Council to have power, if they see fit, to grant to one High School in each county an amount equal to the Government grant to assist in carrying on the said High School. And further, it is the opinion of this Council that the provisions of the said Acts as to the powers of School Trustees in rural districts are too limited, and think that the trustees in rural school sections should have the same power to levy and collect school taxes as those granted to towns, villages and separate schools: Be it therefore resolved that a copy of the above opinions of this Council be forwarded by the Clerk to the members of the Local Legislature for this County, for presentation at the next Session of the Legislature of the Province of Ontario.

Debates arose thereon. On a division being called, the motion was carried by a majority of eleven.

YEAS—Messrs. Barber, Wyckoff, Lewis, Austin, Robertson, Clement, Jull, Jackson, Ostrander, A. Crysler, Mabee, Walsh, E. M. Crysler, Chamberlin and Boughner.—15

NAYS—Messrs. Alexander, Gillies, Green, and McLennan.—4.

No. 5.—On motion of Mr. E. M. Crysler, seconded by Mr. Chamberlin,

Ordered,

That the Clerk be instructed to call the attention of the Minister of Education to the fact that there are a number of families in the different municipalities of this County who do not own property in the said municipalities, consequently do not appear on the assessment rolls, the assessment roll returns are therefore defective as to population; that the attention of the Minister of Education be directed to the fact of the difference between the population as indicated by the assessment roll returns for this County for 1871, showing a much smaller population than the census of 1871: Further, that the returns based on the assessment for succeeding years, up to the present time show a

steady increase in population: Therefore, in the opinion of this Council there should be a steady increase in the apportionment to this County for School purposes.

No. 6.—On motion of Mr. Jull, seconded by Mr. Clement,

Ordered,

That the accounts of the Reeves of different Municipalities for equalising the Assessment of Union School Sections be allowed, viz.:
